## Weddings

### **JUST THE CEREMONY, PLEASE! - \$475**

We will shoot whatever happens during and immediately surrounding the ceremony. In addition to the ceremony itself, this will include formal family shots and creative/formal shots of the bride, groom and bridal party. This includes up to 3 hours of photography services.

### **EVERYTHING BUT THE RECEPTION - \$850**

Sometimes there are enough cameras to go around at the reception and you can be sure the evening will be captured. We offer this package if you think this is the case and you would like to save a little money. This includes up to 6 hours of photography services and multiple locations.

### **I WANT IT ALL - \$1300**

We'll be there from the time everyone's getting dressed up to the send off of the bride and groom at the reception (and of course everything in-between) This includes up to 10 hours of photography services.

- For wedding receptions: we kindly ask that you notify us in advance if a meal will be provided for us.
- All weddings include 2 photographers

## Portraits, Families and Events

### **FAMILY PICTURES (THE WHOLE FAM, JUST YOUR CHILDREN, BABIES) - \$175**

For family portraits, we typically go to your house or other interesting location of your choice. If we lived in a perfect world, every family would be able to bunch together quickly, look good and have some perfect frame-ready photos taken. Since we don't live in this world (and I'm not sure any of us would want to), we plan on spending enough time (2-3 hours) with your family to leave time for settling in and taking some breaks. We'll set up several different photos in this time and you are more than welcome to change outfits or children in this time.

We book a solid 3 hours for baby shoots. It may seem silly that we spend all this time on one baby when we do a whole family in that amount of time, but trust us, it's worth it. Babies seem to have different levels of excitement about cameras and flashes, so we like to give the wee one plenty of time to get used to us, cry a little, eat a little or really anything else that makes them happy. Often times we're done ahead of schedule, but it's nice to have a buffer.

### **PORTRAITS - \$175**

Engagement photos, senior pictures, just yourself, you and your business, you and your dog or anything else you can think of falls into this category. The price is based on the time we are with you shooting and not the (often times much longer) time in post production. Like the family photos, we will meet you at the location of your choice and bring the necessary equipment for the shoot. This includes 2-3 hours of shooting time.

### **EVENTS - \$100 FOR THE FIRST HOUR, \$75 THEREAFTER**

Got something you'd like covered? We'll gladly come out to your event and capture all the important stuff as well as candids and details. Time frame/price will be negotiated prior to the shoot (special pricing can be considered for non-profits, charitable organizations and the like).
